PROJECT DESCRIPTION

The need to improve the safety and mobility of the northwest Greensboro and Guilford County roadway network is a priority of the City, County, and citizens. The construction of the Horse Pen Creek Road/Fleming Road Connector is considered to be a high priority transportation need for the City of Greensboro. The project is needed to:

- *Provide relief for traffic congestion.*
- *Provide an improved east-west access to a growing residential area.*
- *Provide a safe, direct route which will reduce driving distances.*
